

DETAILED ACTION

Affidavit/Declaration

*** The declaration concerning allowability of the claims dated 1-25-08 has been considered.

CANCELLATION OF CLAIMS

** The cancellations of claims 2,11 and 12 has been made of record.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record that is not seen to change the scope of the claims appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312.

To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

***** Amend the last line of claim 6 by deleting the following last six words: --"for connection to other vehicular components" --.

Reasons for Allowance

- The following is an examiner's statement of reasons for allowance:

The prior art does not show parallel spaced conductors, conductors printed onto one of the insulating layers, at least one end of the cable having the insulating layer partially removed, a mounting header having contacts attached to the ends of the conductors (claim 1 and claim 6) in combination with all the other elements of the claim and the examiner knows of no permissible motivation to combine the prior art such that the subject matter as a whole would have been obvious at the time the invention was made.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
